

The screenshot shows a web browser window with the URL `127.0.0.1:8080/projects`. The page title is "Projects". Below the title, there is a section titled "Personal Developer Website:" with a brief description of the assignment. A "GitHub" link is provided. On the left side of the page, there is a code editor window showing Python code for a Flask application. At the bottom of the page, there is a terminal window displaying log entries.
